

## Table Group Weekly Experience

*October 16, 2022*

### Mixer

What is something you thought was an “indicator of wealth” when you were a kid?

### Neighborly - Daily Devotional

To get the Daily Devotionals delivered to you every morning, text ‘dailydevotional’ to 97000.

1. In the 10/11/22 entry, *I Met God In The Superbowl*, DJ Brennan talks about how we establish a passion for something once we find our connection to it. How is your passion for putting Jesus first in your life? DJ suggested that we look at how we fill the gap between spiritual connection and spiritual depth: What are you cutting out, or putting in, to give God the space to build that connection and passion with you?
2. In the 11/11/22 entry, *Shake Off Your Shoulds*, Kyle Moss reminds us that Jesus is a place of rest and he can help you overcome your guilt and anxieties about all the “shoulds” that occupy our minds. How does Jesus’ word in Matthew 11:28-30 help you reframe your thinking?

### Sermon Notes

*Go First: Relational Connection - Pastor Jared Herd*

Scriptures: 1 Samuel 14:6-8, 1 Samuel 18: 1-3, 1 Samuel 20: 41-42, 1 Samuel 23: 15-17; John 15:12-13

1. What did you learn in this week’s message about Relational Connection?
2. Pastor Jared noted that, historically, people of past eras developed more meaningful relationships than they do today. What was different back then? Why did people create relational bonds then that we don’t today?
3. Similar to Pastor Jared’s story of the taco server, describe a “friendly” relationship you have with someone. What aspects of this type of relationship are convenient and comfortable? What is lacking in this relationship?
4. Describe Jonathan and David’s relationship with one another. Compare this to a similar friendship you have. Is your relationship based on a covenant mindset, or a consumer mindset? Describe this

friendship.

5. What percentage of your relationships would you say are just “friendly”? Why are we content to stay in the realm of just “friendly” relationships? How does Go First leadership challenge you to be a Jonathan?
6. Going into the week, review your passions. Is there a person out there with a similar passion who is primed to become a friend of yours? Will you Go First and invite this person to join you in the important aspects of your lives?

## Pray

Pray this week as final details are coming together for this year’s Serve Day on Nov 5th! Not only are we beautifying Kit Carson Park, but we are also showing some TLC to Grape Day and Grove Parks in Escondido, and to Meadowbrook Middle School in Poway. Pray now for all of the recipients of the benefits of these improvements - that they would experience the effect of God’s love of this world and of them. Pray for our Go First teams and how the LORD might use them in the midst of these projects as the public passes in and out of these areas. And pray for cooperative weather - that’s always a benefit!

*God is not unjust; he will not forget your work and the love you have shown him  
as you have helped his people and continue to help them.*
