### 12 Days of Christmas Devotional

In Pastor Harry's Tuesday 12/15 entry, *The Sign*, he gives us a contrast between the fanfare of Christmas celebrations and the reality of what is for some. This Christmas especially, we are challenged to see that there is "*Glory to God in the Lowest, too.*" What can you see? Maybe this year of slowing-down and the trimming of distractions might open eyes wider to The Sign of the Savior. That is our prayer for you!

1. How might your Christmas this year look like the very First Christmas? What are some of the similarities between now and then?
2. What will you place in your Christmas memory book for 2020? What are the glory moments that will take the place of the usual fun, frenzy and festivities in your Christmas? Maybe it is priorities, maybe it is relationships, maybe it is healing, maybe it is closeness to the God who loves you. Write them down, and in all things, give thanks!

We'll be back to full Sermon Notes on December 27!!!
