Neighborly - Daily Devotional

To get the Daily Devotionals delivered to you every morning, text 'dailydevotional' to 97000.

1. In the 2/6/23 entry, *God Is Good*, Pastor Harry reminds us that the first thing the Bible tells us is: God is good. Do you agree or disagree, or do you waver between the two? Are you like Moses in Exodus 33:19, wanting to see God as He really is? And then God showed you something wonderful? What was it? Write these things down in your Bible or journal and visit them often! How can you use one of these revealings to encourage someone else?
2. In the 2/10/23 entry, *¿Tu Comprendes? Terima kasih!*, Kyle states: *God is incomprehensible in His entirety*. Do you give up trying to understand Him - why? Kyle says just because we won't ever be able to fully understand all of His ways, it doesn't mean they aren't absolutely amazing. This week, go through some of the verses she provided with amazing truths about God. Add some of your own. What are some benefits of these verses that teach you to trust God even if you don't understand Him? Work out a prayer of adoration and gratitude - how does this begin to change you?

Pray

Happy Valentine's Day! Spend time in prayer this week exploring how God loves you - do you know this is true? Are you embracing His love? Are you loving Him back? What is His love doing in, for, and through you? What does He want the world to see about His love with you as His ambassador? Speak to God and ask Him to reveal something truly amazing about His love for mankind - and you!

"I [God] love those who love me; those who seek me will find me."
