Sermon Questions

Keep the Faith - Pastor Jared Herd

Scriptures: John 20:29, 4:46-48, 20:30-31, 4:49-53

1. What impacted you the most from Sunday's message?
2. Pastor Jared mentioned that many of us came to faith because we were desperate for something. Read John 4:46-48. This royal official was desperate for the healing of his son and made the journey even though he was not a believer. What made him think that Jesus would help him? As a believer, what stops you from going to Jesus with the fragile things in your life (i.e. faith is not strong enough)?
3. Jesus performed many signs but only a few were recorded according to John 20:30-31. What was so significant about the miracle done for the Roman official? Do you believe God will perform miracles in your life when you see them or because you trust Him?
4. Faith is trust; it is not a temperament, emotion or a talent. Pastor Jared mentioned that in the curiosity phase of faith, you will have doubts - but your doubt is a sign that you have faith in God. What did he mean? Discuss how faith the size of a mustard seed is enough to trust God with your miracles.
5. In John 4:49-53, we see that faith multiplies. Are you sharing your faith? This week, find one person to share your faith with.

Pray With Us

Let's pray over our global "Go First" efforts via our missionary partners. Pray for the Lord to guide them as a whole and that their ministries continue to thrive. (You can find information about the global ministries on the church website: thechurchrb.org/global)

For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.
